## ARTEMIS: PREVENTING SEXUAL HARASSMENT & ABUSE AMONG PRIMARY SCHOOL STUDENTS

### PROJECT PROGRESS: EXPANDING OUR IMPACT

Our mission remains clear: to foster safe and respectful learning environments in primary schools by tackling sexual bullying and harassment through education and awareness.

Here's what we've been working on:

- The No Harassment Guide is now fully translated into all partner languages and being integrated into school activities.
- Several workshops and awareness sessions were held across partner schools to empower teachers and students.
- Animated short films are being finalized and will be released very soon — with an inclusive touch.

### WHAT'S NEXT?

In the coming months, we will:

- Finalize and launch the animated videos across partner countries.
- Promote their use in classrooms as part of the broader ARTEMIS prevention strategy.
- Continue collecting feedback from teachers and students.
- These resources aim to open up meaningful conversations about boundaries, respect, and safety in school environments.
